

MINE, MINE, MINE

NSW PERMIT NO LTPM TP/00566

- This promotion will be held at The Griffith Ex Servicemens Club 6-12 Jondarayan Avenue, Griffith.
- There will be a draw each Thursday night at 7pm. The draw will be held near the Main Bar of the Club, or another designated space where the Supervisor on Duty sees fit should the Main Bar area be unsuitable on a given night.
- There will be five draws on a Thursday night which is open to financial members only. If a drawn member is not present, there will be a redraw until a winner is present.
- To enter, the member must swipe their card when purchasing food and drink products in The Bistro or in the Bar from 5pm on Thursday afternoon.
- The member receives an entry to the virtual barrel when they reach an accumulative spend of \$10.
- There will be no physical entry tickets. Instead, if a customer chooses to enter, their entry will be stored in a "Virtual Barrel", and the draw will happen at 7pm on the following Thursday.
- The customer's name will be drawn from the Virtual Barrel through a Point-of-Sale terminal by a designated staff member. The winner will have four minutes to state their presence.
- If the winner is not present or does not make themselves known to a staff member, there will be a re draw.
- When a winner comes forward to state their presence, their identity must be confirmed by the Staff Member conducting the draw, by showing their member's card or other valid form of I.D such as driver's license.
- The winner will be offered 5,000 bonus points to be added to their member's card. These points can be used throughout the club but cannot be used for the Wager Exchange programme offered through the Gaming system.
- The winner can accept the bonus points, or they can forfeit those 5,000 points and choose to spin a prize wheel.
- The Prize wheel must complete at least one full rotation to count as a valid spin.
- On the prize wheel, there are 14 segments. They include:
 - 1 x Major Prize to the value of \$400 (Eftpos Card) ○ 2 x Triple points equivalent to 15,000 points ○ 4 x Double points equivalent to 10,000 points
 - 7 x Landmines, where the winner walks away with nothing
- The Major prize can only be won once on any given session. If the major prize is won, and there are more draws to complete the session, that segment is replaced with "Spin Again", and the winner is allowed to Spin the wheel again until it lands on a prize.
- All prizes will be awarded to the winner no more than 24 hours after the end of a session.
- At the end of Each session, all virtual entries are wiped automatically by the POS and a new period is opened up for the following week's draw.
